

RENIERI INVETRO IGT

Appellation: IGT TOSCANA

**Grape Varieties:
Sangiovese, Merlot, Cabernet
Sauvignon**

**Soil Composition: red soil, yellow
clay, broken rocks**

Vineyard Altitude: 350 meters

Aging: Stainless Steel; barriques

Alcohol: 14.0%

An exotic nose that drifts from dried red plums and redcurrants into blue-fruit territory such as blackberry pie and creme de cassis. Full body, compact tannins and a medium-chewy finish. Acid drive gives this form and tension.

Invetro means «in glass» in Italian because the bottle is finished with a glass closure.
